July 2021

Dear Directors:

The Moorpark High School Band and Color Guard Boosters are proud to present the **25th Annual Moorpark High School Battle of the Bands Field Tournament**, to be held at Moorpark High School on **Saturday, November 13th, 2021**.

Our tournament features thirty-five bands ranging from divisions 1A through 6A. The tournament is generally divided into two shows, with the smaller divisions competing in the morning show, and larger divisions in the evening show. We know that with the Covid 19 pandemic, there are many questions as to how this year will be different, we will do our absolute best to keep you informed as the school year progresses.

We are again including percussion in our adjudication panel and will award high percussion and high auxiliary awards in both shows.

Our volunteer staff works hard to support our guest bands from arrival in the bus parking lots through warm-up, performance, awards, and departure back home. We can assist with tow vehicles and trailers to help with the logistics of moving pit equipment to and back from the stadium. We will keep you informed on changes to our usual procedures as we get closer to the event date.

To register for the year's tournament, complete the SCSBOA entry application, with your check payable to "MHS Band Boosters" for **\$300** to:

**Attn: Alann Pak, Band Director
MHS Battle of the Bands
Moorpark High School
4500 Tierra Rejada Road
Moorpark, CA 93021**

The application and payment deadline is **Monday, October 4th, 2021**. **Your registration is not complete until we receive your paperwork and full payment.** Please note that the tournament schedule typically fills-up prior to the deadline. **It is recommended that you register early to ensure your spot, as we had to turn away several schools who applied close to the deadline last year. Also, as we all know that this year is a bit different, we will not be cashing your checks until we are confirmed to have the event as scheduled.**

Please note the SCSBOA guidelines on the entry form regarding determining or changing your band classification. If you are unsure of the size of your group, go ahead and register now and we will work with you later to finalize the appropriate classification for your band.

I can be reached for questions at our usual email address of mhsinstrumentalmusic@gmail.com. Remember to check our website at www.moorparkmusic.org for the latest information. We are looking forward to another great event and hope to see you there!
