What

The Battle of the Bands is a field show competition featuring several thousand performers from dozens of marching band & color guard programs from across Southern California. This, the 27th BOTB, also serves as the 2A Prelims for the Southern California School Band and Orchestra Association in advance of the SCSBOA championships, November 18th. It is also an important fundraiser, with all net proceeds supporting the Moorpark High School Instrumental Music Program, through our all-volunteer nonprofit booster association. We appreciate your support!
